

THE IDEAL PARTNER
IN HEAVY-DUTY
LABELING SOLUTIONS.

The Epson LABELWORKS PX LW-PX900 label printer is engineered to fuse form and function – delivering superb print resolution at astounding speeds, the printer adapts well to a high-volume environment to perform continuous printing. Low operating cost is also a factor with the LW-PX900 capability to save on label cost. Epson tops it all with an ergonomic design and intuitive short-cut keys to deliver an experience that spells efficiency and productivity.

LIFETIME
WARRANTY

ENGINEERED FOR INDUSTRY

WIDER
Expand labeling applications with supplies up to 36mm wide, and in a variety of materials such as magnetic tape and heat shrink tube.

FASTER
Brilliant print speeds of up to 35mm/sec at superb print resolution ensures a quick turnaround time with no compromise on quality.

EASIER & BETTER
Minimize tape waste with shorter lead margin of up to 4mm* and streamline label creating with industry application hot-keys and ergonomic design.

LABEL PRINTER

LABELWORKS PX LW-PX900

Catered to meet demanding industrial standards, the LW-PX900 is able to satisfy a wide array of needs by conforming to their application-specific requirements through the diverse range of label tapes that Epson offers.

EXTRAORDINARY PRODUCTIVITY

Print speeds of up to 35mm/sec at 360 dpi resolution will allow for a quick turnaround time with exceptional print quality. Engineered for increased productivity with its intuitive half-cut, pick-and-print and drop-stop features, you can peel individual labels as they print or commit to continuous printing.

Epson's LW-PX900 presents itself as an industry first with the option for mix-length printing to significantly save time by allowing you to create variable-length labels in a single print.

MINIMAL OPERATING COST

Minimize tape waste and maximize cost-savings with a large backlit screen to preview printouts. Get more out of each roll of label tape with print margins as low as 4mm* through the auto tape rewind function that retracts excess tape back into the cartridge. Epson's labels allow lasting longevity and contribute to more cost-savings by eliminating the need for constant replacement.

*Applicable for selected tapes.

ENGINEERED FOR EASE

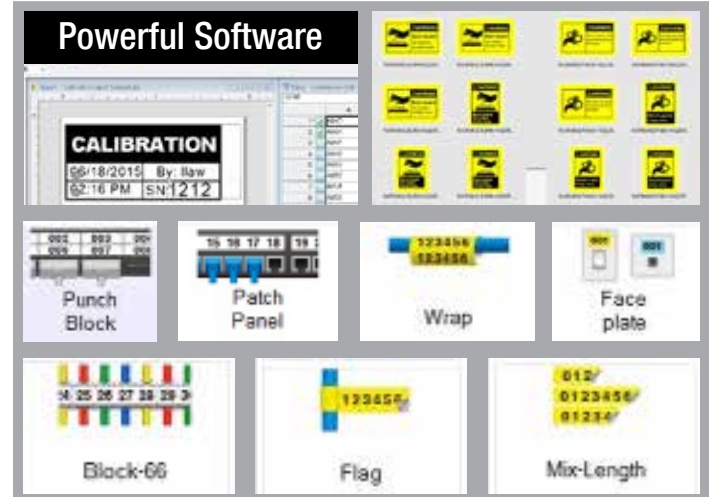

Intuitive Ergonomic Design

Configure your printouts quicker with more efficiency through conveniently located shortcut keys to configure your printouts. Experience convenience through the ease of tape cartridge replacement from a front opening and magnetic mounting capability.

Ultimate versatility with Epson Label Editor Professional

The LW-PX900PC and PCD kits come bundled with the Epson Label Editor Professional software for a more customizable experience. The software comes with more than 70 pre-installed templates to create custom labels and also allows more customization of labels with its capability to import images and bar codes.

ASSORTED VARIETY OF TAPES

To complement the LW-PX900, Epson offers an assorted variety of high-quality labels in a diverse range of style, size and colors to let you create application-specific labels to accommodate your needs. Tape widths range from 4mm up to 36mm. Taking industrial applications into consideration, Epson's comprehensive list offers cable-wrap, die-cut, heat shrink tapes and magnetic tapes.
